“ My deepest sympathy to Mindy and Eli. Steve was such a wonderful person. I learned so much from him about the Herps and he was always happy to answer any questions I had. Knowing he was ill but fighting through the illness, he always had time for us at the Zoo. There will never be another person like Steve and he will be sorely missed by the entire zoo family. “ Sending my deepest sympathies to Mindy, Eli, his family and all who knew him. Steve was one of the nicest people I have ever met or had the pleasure to work with. I admired his immense love for animals and his smile and sweet personality always lifted my mood and turned my day around when I wasn't having such a good one. He truly was a beautiful soul. He will be missed by so so many. Rest in Peace my friend.

“ My sincere condolences to Mindy, Eli, Steve's entire Family, his "zoo Family" and friends. I don't think I've ever met a nicer person, always willing to stop to answer animal questions, always with an eternal smile! RIP Steve
