“ Dear Robin,  
I can't express how hurt I am for your loss. Last week you were telling me how proud you were of your boys and I could see your face glowing when talking about them. Life is full of unexpected things, but it's essentially beautiful in all aspects, even in the hardest times. Celebrate that you had the greatest honor of being the mom of such an amazing boy. My prayers and thoughts are with you and your family... I am asking God for strength and courage for all of you and acceptance to overcome this hurtful event. Sending you the warmest bear hug from Costa Rica!

“ My condolences go to your family Aaron was light in many lives and touched many hearts with laughter and his friendship .  
OP you were a true friend through and through, you always were there with humor and kind words. Even though you poked fun I always knew it was out of Love. The crew will not be the same without you and words will never be able to fill space you held in so many of our hearts. Every meet , every race and every build I know you will be sitting in the passenger seat , pulling a gap in the other lane , goofing off in the lot, in the garage wrenching side by side. I miss you brother save me a spot in the lot up there.
