“ I worked with Adele at UB for many years. She was also part of our dinner group hosted at each other's homes up until recent years. You could always count on Adele for her rich sense of humor, but also for her wonderfully scrumptious meals. She loved her family so very much and frequently talked about "her Judy" or "her Linda". She will be so missed by her loving family and her many friends. Sincere condolences to her family..
