“ I was very sad to hear of Al's passing. I always look forward to seeing his smiling face and red rosy cheeks at his two bars. I even had my 60th birthday party at overtimes, where I was a regular Patron. I visited hell 2 years ago when I came up to Buffalo in the summer at the nursing home he was in. I was so happy that he remembered myself and my wife Debbie. We left about his birthday limousine rides and the strip bars we frequented on his birthday. We also spoke of the Easter money she gave away at Laurel and Hardee's with the dice game. I used to win rabbits for my grandkids every year. You will be missed my friend, my condolences to the family and all the other lives that he touched. Fly high Al, they'll always be a place in my heart for you buddy.
