“ *To the family of Al, my sincere condolences!
I remember Al when he use to come into the Y few yrs back. And when he was diagnosed with Parkinson's. I talked to him each time I saw him to see how he was doing. Very nice man with quiet demeanor!
I had told him about the Boxing for Parkinson's program we had there that he tried few times too.
Then hadn't seen him in awhile, & wondered if he was ok & still around. Then saw he moved to Brothers of Mercy.
I just happen to come across his obit on Smolarek's website looking for someone else.
Glad I got to know him!
Peace to the family,
