“ *Jerry, Ken and Dan - I first met Alice over 50 years ago when I
started working in the pressroom of the Buffalo News. Jerry took me
"under his wing" and we both worked there our entire working
careers. She was a dedicated wife, mother and grandma. I can't
image the heartache each of you are experiencing after having her
to love each of you over all these years. May you find comfort and
strength in our Loving God. Don Santucci*
