“ *Mr Barone has been our neighbor for the last 13 years. He was the first to welcome us into the neighborhood and continued to be a gracious neighbor. Memories over the years included exchanging hello's as he went for his walks & in the backyards as he and his wife were in their pool and us in ours. We overflowed our pool filling it more than once early on and he was never upset as the water flooded part of his yard , he or his wife just called us to tell us and he walked over to the fence in his rubber boots sloshing through the water with no judgement, always forgiving. We saw Mr Barone slowly lose his independence and the commitment Mrs Barone had to caring for him. Our family will greatly miss him.*

Beautiful. Thank you for being such wonderful neighbors to both my Dad and Mom. And for looking after them. I know my Dad truly appreciated what you did for him.
