“ I remember Andrea always smiling, laughing and being kind to everyone she met. I was lucky enough to go to High School with her and work with her at 1st Niagara. She always amazed me with how positive and happy she always was. As a wedding gift to my husband and myself she gave us a beautiful paper angel that I have hung at Christmas for the past 25 years. It was always special to me, reminding me of her sweet personality. Her passing is so hard to process even though I haven't seen her in a few years. Sending love and support to her family and friends left behind. She will never be forgotten.

“ Andrea was such a lovely person. I am very saddened by the news of her passing. I have not seen her in such a long time, but I remember that she always had a smile on her face and something positive to share in her own little urgent way. "I have to tell you this..." or even "just" a friendly "Hello, how are you doing?". May she rest in peace... Sending peace, love, and deepest sympathy to her family and close friends, most importantly, please know that she will not be forgotten.

“ *Heaven received a special angel. You are the most caring, compassionate, and generous person that I know. Every time my phone chimes now I think it's you. We had so many things to things to still talk about. God broke our hearts only to prove that he wanted the best. "Cousins are forever – friends at heart for life."
