“ Aunt Anne enjoyed visiting us here on the farmstead. It was a joy to spend time with her as we talked and laughed while sitting on the front porch overlooking the hay fields. Her last visit took place up near the pond. Thank you Chris for sharing your mom with us on the trips you made to Bennington all these years. Our sympathies to all and we pray for our Savior's love and mercy upon Aunt Anne's soul.

“ Chris, Terry and Gary so sorry for your loss. Anne used to shared little stories with me. Sometimes the time would be a little off but one thing that that was always consistent was the love she had for her family! She always said she had wonderful children...that she did. Love & prayers to you all at this time. Jeanmarie

“ *Grandma has always been there for me - to listen, to hug, give guidance, lend a shoulder, or whatever it was I needed at the time.*

My childhood is filled with wonderful memories of SPUD, lawn darts, Rummikub, card games (Upsie), holiday and birthday get togethers, camping in Rome, NY, going out into the country, and Grandma and Grandpa being at every performance or concert I had.

Grandma stood up for me in the times I needed it the most and was always happy to take the time for a visit whenever I called.

Her presence in my life has been a wonderful gift and I am proud to be part of her legacy. She will always hold a very special part of my heart.
