“ Arlene love to have fun, full of life and BOY did she lived! She always made you feel special no matter how she was feeling or was going on in her life. It was all about you. Being with Arlene was always an adventure and you knew you were going to have a great time and laugh until your belly hurt. Her family was everything to her. She just love you all so much. I will miss her. But now she will be entering everyone in haven.
