“ Just 4 days ago we had lunch and were just like 2 teenage girls anticipating a new adventure into life and talking about spending our Dyngus Day together. We will be together on Monday, Dyngus Day, but not in the joyful way we anticipated as I will be viewing you in a casket and not enjoying the festivities of our special day. Yes, your passing was and still is a shock to me and knowing that the dear Lord has all of our days numbered it is still a hard pill to swallow. You were never negative and your positive attitude hopefully be remembered and will stay with me for years to come. Rest in peace with Nick ,and of course, Buddy at your side. Until we meet again and with prayers for you I will always remain your friend...Stephanie Stachewicz
