“ Dawn, Don, Kayla, Avery, Alex & Family,  
I was so sorry to see your Mom/Grandma had passed.  
I'll always remember Barb as one of the few who was full of witty  
comments who could banter back & forth with me. A lot of laughs!  
Really an engaging, friendly person to everybody..whether she  
knew you or  
not. She certainly was One of a kind, just like “LUCY” & can never  
be forgotten.  
We'll see you on the other side, Barb & then you'll have a lot of  
“SPLAINING TO DO!”  
I first met Barb when she came to work with me @ Tops Mkt  
Headquarters.  
May the memories you all made with your Mom/Grandma help you  
find peace, strength & hope! So glad I got to meet you grandkids  
too..& can see why her family was so special & meant so much!

“ *Dawn and Don- I worked with your mom for many years at Tops and she was more of a friend than co worker. When I first joined Tops, she was the first one to welcome me and make me feel comfortable in a new work environment. Last I talked to her in September, she was, as usual, talking very proudly of the both of you and your children. I tried to call her recently but her phone was out of service. But her last words to me were "Go Bills see you in the Super Bowl against Green Bay". She may have predicted correctly this time. I will miss my conversations with her.*

“ *I was always so excited to see her at the lake or grandmas on holidays. I loved she always wanted to sit next to me. She was caring and thoughtful. She would send me hand written cards just to say hello. I will miss her smile!*
