“ Just learning about the passing of Barbara. I send condolences to the family. Remembering her at school 61and what a very pleasant, hard worker and role model for the children. I am glad I had a chance to see her just before her passing. It had been 10 years. Kim, I am sorry you lost your mother, and I am thinking about you....

“ Dear Kimmy, Tim, Justin and Family,

*Please accept my sincere condolences in the loss of Mama. May fond memories of great times shared help lift your heavy heart at this time. Mama is already preparing a great Lazy Perogie meal to have with your Dad(Richard) in Heaven. Mama will always be remembered as an integral part of our school family. Monthly faculty meetings, PSO meetings, special occasions and of course our annual Ethnic luncheons. Mama's love was poured out so generously every time we had an event. If you didn't see it, you must be blind. I will always remember her strong love and patience as she sat daily with Johnny trying to get her to eat in your office at the swing school. Again, If you didn't see her love and dedication to children and family, you must not have been looking. I'm not sure if i will be able to get there Saturday, as I am out of town.
But many prayers and thoughts are with you and your family.*

With great Love and Respect,

Bob Teixeira
