“ Remembering my dearest friend who was like a father to me. Our life in Leon was made so much easier because of him....always ready to help me whenever my car would not start or something broke in the house. Then there was our turkey adventure...raising cows....the horses.. Oh so many memories.....now you can fix all those watches and catch up with your truck driver friends....rest well Ben, you will be missed for sure..
Love, Margaret Fronczak and family.

“ When I first met " Mr Benny" I was knee high to a grasshopper. I thought he was so cool, he had cows a garden and just a whole lot of interesting stuff. He was always happy, ready to help our whole family at a drop of a dime. He always had a few projects going at a time. My sister Lisa and I would walk to his house just to hang around. It hurt me so bad that when I finally got back to Leon after about a ten year gap to find him in a home bc of a stroke. His mind holding on with a body that was broke. Well Mr Benny, simply put, you don't need to worry a wrinkle bc you are in a wonderful place. You brightened the day of many and will be sorely missed.

From my family to yours, love Julie Fronczak.
