“ We loved the many weekend visits with Aunt Bernie and the family. We always felt at home there at the old house on Geo. Urban. I don't remember how young i was, but i thought it was cool staying overnite while everybody older helped build the addition on the back. Later, my kids didn't always appreciate everywhere we " dragged " them, but the loved visiting with Aunt Bernie & Uncle Gene. We'll miss them both. I think my Dorene and Dad will be waiting with hugs & kisses. Your cousin Keith Pistawka.

“ *She was always Auntie Bernie to me. I still remember the visits we made to Buffalo from Toronto to visit you. Give my mom a hug, as I know you will meet up with her. I always loved you and always will.*
