“ *Beth you will be so missed. I loved our talks at Daemen! Finding out that we were second cousins made my heart happy. I can see feel your hugs and coming through the Athletics door yelling “ Hi Cous “. You took care of everyone else. Your face lite up when you talked about your grandchildren. My heart hurts that you suffered and that you were gone way to soon.*

*I know your up in heaven having great fun with JoAnne. Rest In Peace.*

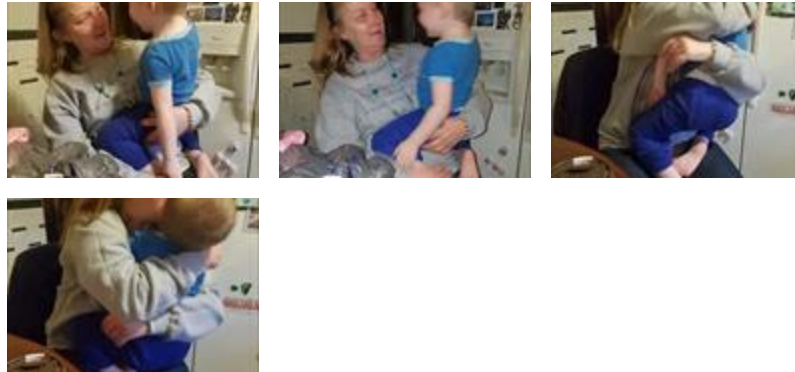

*Love you  
Vivian*

*“ My condolences go to the whole family of Beth Roeder, she was one of my mom's best friends they were family. She comforted me when we lost my mother and came to see me and my boys to hang out as often as she could. Her three children, and all of her grandchildren was what she lived for. She always put everyone before herself. I'm so sorry for your loss and I pray that good memories with your mom fill your hearts up to replace the sadness. Prayers, and healing love to all of you. 🙏🦋🥺*
