“ *Tom - I'm so sorry to read of Brenda's passing. She was a good hearted soul. My memories of our time together so many years ago (in Buffalo and when I visited you in Wisconsin) include many good times and much laughter. She has left this world too soon. My heart goes out to you and your family. May you find peace. Shelly (Michelle Savit Polonski)*

“ *Brenda was one of my dearest friends when we were kids. I always felt like she was my sister. I'll never forget all the laughs we shared. Through the years when she would come back to Twin Lakes for a visit we would try to get together to catch up. Even though we hadn't seen each other in quite a while we would just pick up like it was just last week. We would look back on a lot of goofy things we did and laugh. I will never forget her. She will always be in my heart. My thoughts and prayers are with her family. May God give you the strength, comfort and peace during this terrible loss.*

“ *For the last few day I have been thinking of all the great times Brenda had together. Playing scrabble constantly while listening to Barbra Streisand and Simon and Garfunkel. Also the time when we went to see Beaches and went home and cried for over an hour. I find some comfort in having so many great memories!! Love you Brenda and will miss you always.*
