“ You are so loved. Words cannot describe how we feel. Thank you for being a big part of my life! The memories we have, no one can take away! They are ours forever! I will never forget how much we all have laughed. So much love! You will be dearly missed Uncle Rusty. Life won't be the same, just like it isn't with the people we have already lost. I love you so very much! I know Gramma and Grandpa were waiting for you with open arms! Please hug Bobby for us ❤️ Until we meet again....

“ I wish I would have told you how much you meant to me my whole life, but I think you already knew. More like a brother to me, I will miss you terribly. I will miss our Sunday football texts, our phone call "hang up" jokes, your laugh, your advice, but mostly, just you. I know LouLou and Gpa were waiting with open arms. Give Bobby a kick in the ass for all of us! Until we meet again....I love you!
