“ Not one thing stopped or slowed Carla down, her smiles lit up the room! She was fun and easy to laugh with! The Lord is embracing her now, nowhere better to be IMO. I picture her running, dancing jumping with joy.
Lynn, Cass and Tab and all of you who took part in Carla's life, you all loved her no end and took the best care of her at all times. My heart breaks for all of you. Many hugs.

“ Loss never gets easier
For those who didn't
I wish you knew her
A smile so contagious
Always lit up the
Room
Once again another loss
Ohh too soon..
I know they are together
Many memories
I'll forever treasure
Her name was Carla
Had a heart so big
I can't even tell ya
She was surrounded by
Unconditional love.
Always taken care of
Her turn now to watch
Over us from above
Another very sad day
If I told you I didn't cry
That would be a lie.
This is not a goodbye
Lynn and Cass it was
Her turn to fly
I know I can't make it hurt as any less I'll be here for you I'll try
My best.. this one is really putting my faith to the test. I'll leave you
with this.. picture them together walking hand in hand forever safe
GOD has a plan..

Love you guys..

“ When I heard of Carla's passing my thoughts were I bet she sees Uncle Jimmy and is running to him to jump in his arms. I know whenever she saw him that's what she would do. Your spunk will surely be missed by everyone who knew you.
