“ Aunt Carol, where do I even begin? I am the luckiest person ever to have had you as my Aunt. We all so enjoyed all the good times we have shared and the memories we have made.

Everytime you came over the dogs knew, you would have a surprised in your pocket for them.

I am going to miss you. The only thing that makes me feel good is knowing you are with Undle Ed and Miss Bee & I promise you will have an amazing send off. May you RIP! I love you! ❤️ please watch over us!

Carol , You were my friend growing up then became my sister-in-law and my go to person. I will miss our phone calls, discussions and good times together. Holidays will not be the same without you. I will never forget the times we spent at your cottage. I will never forget you and Miss Bee. Until we meet again. Love Joni
