Dear Skip, Len and I are so sorry for your loss. As you know, Carol was my best friend for 58 years. I couldn't ask for a better friend. She was more of a sister to me than a friend. Sharing all of our life experiences together. I will miss her deeply.

Dear Skip,

Although we have never had the pleasure of meeting, I am sending my deepest condolences for your loss. Carol helped me for many years at the AAA and we continued our friendship after she retired. She is one of the nicest and most sweetest people I have ever met. I will miss celebrating our Birthdays together and was honored with some of her handmade jewelry. May God bless you and keep her safely in his arms.

Sincerely,

Mary Mokka
