“ Dear Ralph, Susan and Family,  
I am so sad to read of Celia's passing, and wish I could be at the service tomorrow to give you all a hug and say my good-byes. I think you know how much I cared about your wife/Mom; I am glad I had a chance to spend time with her this year, although I'm sorry for the circumstances. I will always treasure the little items I have around my house that were made by her so that I can continue to think about her, and all of you ( whom she always talked about) regularly. She made me smile and laugh. Please know that she and you are in my thoughts and prayers.

“ My deepest sympathy to the Celia Brown family. My concern is for her late son Timothy Brown. I think I may know him if he graduated from Genesee Community College in Batavia in 1969 and later attended SUNY Fredonia for a year and a half or so then dropping out. I have not been in contact with Tim except for one time in about 1990? I have moved from New York State and have lost all contact. Could this Tim be my college friend? Please let me know at dspink2@cfl.rr.com. Thank you so much and again my sympathies. Dan Spink, Port Orange, Florida.
