“ I met Chuck decades ago while working at Vix. We worked together for yrs and he was such a pleasure to work with. I remember the parties with Chuck and Amy before she passed and they were such a wonderful couple, and they could dance up a storm. He helped me when I was a newbie in the business, and he was a great teacher. My prayers are with his family may he rest in peace.

“ Popa Chuck was an amazing man. Even at a young age he instilled so many values in me and showed me how to be a responsible man. I remember when I was about 8 years old I loved his and grandma Amy’s wooden CD, radio and tape player combo. He told me if I work hard when I’m older and take of my things I will have nice things like that one day. This moment has always stuck with me and when I feel like giving up I remember I have what it takes. His lesson taught me to cherish and nurture things and people around me and abundance will follow. I feel that is the best way to honor the ones we love who are now lost; live as they did and carry out their memory in our everyday routine and lives. To be his Grandson I am truly blessed. We will make you proud till we meet again. All my love, Anthony.

“ We worked for Chuck at Vix for many years. Chuck was the best kind of leader. He worked harder than any of us and never expected from us what he did not do himself. He loved a good laugh but when we got called to his office we knew we better be on our toes! Chuck was fair and very loyal. He "went to bat" for each of us at one time or another. Best of all we will always remember him as a good man....a supreme compliment.

“ To the best of the bestest brother-in-laws I have ever had. You were always so giving , kind, loving & caring. I'll never forget the time I spent the night at Amy & your house and the next morning I woke up with a swollen face from the hotdogs we had for supper the night before, and you and Amy were so upset and rushed me home. Wow the memories I have of going everywhere with you two and your sons and Caryn. So much fun, laughter & love. You were the love of my sisters life, she loved you beyond words to explain, and you loved her so much also. Thank you for loving my sister Amy and for loving our family the way you have for all these years. You will be greatly missed by us all. You are now in Heaven with Amy and I know the two of you are together again and very happy, tell her hello for us, and mom dad and Randy. Maryann said she enjoyed her visit with you and will miss you and she loves you. We love you Chuck , love Barbie and Maryann
