Chris had the ability to light up any room she walked into. I realize there will be such a darkness without her in your life, but she does live on in your hearts 💕💕 Ron, Cheri, Ron, and Lisa...Sending you love, hugs and strength during this difficult time.

“ Cherie, I remember meeting your parents at your birthday party and commenting on how young looking and beautiful for Mom was. I am so sorry you have lost her at such a young age. God bless you and your family. Please find comfort knowing your Mom now rests peacefully and painlessly in her loving Father's arms and you will be together again when it is time. Her body has passed from its mortal state but her love will live on forever.
