Tribute Wall

“ It was just days before our planned Thanksgiving dinner, that I sat at your kitchen table talking about everything and anything! You were always a good listener when it came to Cory and I, you were always offering advice and guidance as to what was the best path for us. I will always remember your fierce love and protection of your family, like a mother bear protecting her young. One of the fondest memories of you will always be Christmas. Your home was always warm and welcoming at anytime but Christmas was the best! The smells from the food, the presents towering over the tree, the laughter and joy! It truly won't be the same anymore... You will forever be missed, I will cherish the 9 years I had with you forever.

Love Always,
Stacey Lederhouse
