“ *My Uncle Cyril was always very loving and warm. He was also my god father. He was always very giving and kind. He had a big heart especially for his family. I remember riding in his antique model T cars. That was always a fun summer memory. He will be missed.*

“ *Mother Teresa taught, "God has not called us to do great things. God called us to do small things with great love." Although I haven't seen Cy often, he always greeted me with such warmth and kindness - always a smile. He got it. My deepest sympathy to the dear Sobczyk family. Cy, RIP.*

“ Uncle Cyril was one of the most generous people I’ve ever known. He had a huge heart. He was passionate about the things he enjoyed through the years. The first things that come to mind are cars, Elvis, hunting (for a time) and his family. There seems to have always been something interesting he was up to.

Uncle Cyril will live on for me through the many stories of his life.

“ *My brother, Cyril had the best deep and hearty, dimpled laugh, which was only overshadowed by his huge, caring heart. He loved his family intensely, and family or friend, he would not hesitate to give you the proverbial "shirt off his back" if you were in need. I pray he will rest peacefully in the hands of the Lord, and God the Father, where no one will take advantage of this good hearted soul. We always loved you Cyril. It was a blessing to be able to be with you in your last hours. Rest In Peace, Mary*
