“ *Oh, Sue. I'm so sorry. I just saw the listing in the paper. I'm going to miss your father. I always thought of him as an elegant, soft spoken, quick to laugh man; someone who makes one instantly comfortable to be with him. My heart is with you.*

“ *Dan was a wonderful man who never failed to make everyone he met feel special and valued. His kind and gentle eyes radiated goodness and made him someone you wanted to spend time with. My fondest memory of him was watching him dance with Iris at their wedding and seeing the love they shared glow out of both of them. Dan and I are so sorry to learn of his passing but are so glad we have that memory to hold in our hearts of a truly good gentleman. God be with you all. Mary Szeglowski*
