“ *Danial Urbanczyk was my fathers best friend. He was our neighbor for many years and considered a member of our family. We will miss him dearly. I can only hope somehow he and my father are now together in the after life. They were always so close in this one. Condolences to the family.*

He was such a comfort when my father passed away. I will always remember his kindness. May he rest in peace with the angels in heaven!

*Theresa (Nowak) Snyder
