“ *Dolly, I will always cherish the times that we shared together as Mothers-In-Law and just being Grandmas with the Grandkids! We had many family holiday dinners together, we shared laughs and had some really great conversations! Our Easter breakfast will not be the same without you there but I know that you'll be watching over All of us!*

“ I will always remember riding on your motorcycle with you when I was 6.
I will always remember watching movies with you. (Clue was and is still one of my favorites because of it)
I will always remember your potato pancakes.
I will always remember playing with the fridge magnets.
I will always remember how much you loved us.
I love and miss you, Grandma! ❤️
