“ Dear Aunt Nancy and Kim,

Sending our warmest wishes to you. I am sorry I can’t be there in person. I have many fond memories, especially at this time of year - Christmas celebrations with lots of family at your house and grandma and grandpa’s. Fun playing cards and watching football.

Uncle David was my first encounter with entrepreneurship. I was fascinated by the fact that he started his own business. His commitment and determination was a great lesson to me.

Aunt Nancy, thank you for your love and dedication to Uncle David both in health and in his illness. It has been a long and difficult road and I wish you peace and comfort. You are in our family’s thoughts and prayers.

*Love,
Dawn*
