“ *Dennis was a proud veteran. What I will remember most about Dennis was his stories that related to his travels around the world when he served our country. Based on those experiences, he encouraged us to travel to live a full life. There is no doubt that he has embarked upon the most important journey of his life- to experience God and to rejoin his family members who are in heaven. I will miss our talks about sports, statistics, and the small joys of winning scratch off lottery.*

“ *Uncle Dennis, you are greatly missed. You were my godfather and uncle and always there for me. We have so many great memories together. I enjoyed our chats, visits, and stories of the past. You always told me to follow my heart. Our family chain is broken once again and nothing seems the same. God saw you getting tired and a cure was not to be. So He put his arms around you and whispered "Come with Me." A golden heart stopped beating. God broke our hearts to prove to us He only takes the best. Love and miss you always, Ali*
