“ *Diane was a high school friend. She was always so kind and had a wonderful personality. She was always smiling and happy to see me when we would run into each other. She shopped at the store I worked at every now and then and we would stand in the parking lot talking and catching up for probably way too long but I genuinely enjoyed our conversations. She was a sweet soul taken way too soon and will be greatly missed. My sincere condolences to her family during such a difficult time. Rest in Paradise Diane. :(*

“ *Diane was a wonderful, kind and loyal woman. I've known her for many years since she was assistant to Mark Worrell. When the chance came to bring her over to the Assigned Counsel Program I didn't waste a second to do so. She served as a loyal worker and friend, which turned out to be a rare thing among those employees. I wish her family well and pray they have the strength to face this horrible situation. God bless her.*
