“ *Dolores, I was so very sad to hear of your passing today from a fellow neighbor of ours. It had been a number of months since I had seen you. But attributed that to the winter or weather. Because you were always walking your little dogs. I could almost set my clocks from the time you would pass my house. I fondly remember, how we would stop and talk together over so many times. Since we've been neighbors together now, for 32 years, I really felt that I have gotten to know you, your husband Norbert, and son Paul so well. You were always so kind, and friendly and always had a kind word to say. And I'll never forget when you came to my mothers funeral and consoled me. We sure have shared MANY MANY good conversations and laughs and tears through the years. Your love of your home, of gardening and of course your dogs and cats, and your humanity was and will be your lasting tribute. It was wonderful knowing you all these years my dear friend. I wish you a well-deserved rest. Because you certainly deserve it. I send my condolences to Norbert and to your sons. May your soul rest in peace for eternity.*
V. Requiem aeternam dona eis, Domine.
R. Et lux perpetua luceat eis.
Fidelium animae, per misericordiam Dei, requiescant in pace.
Amen.

“ We only knew Dolores for a few years, but she always put a smile on our faces. She was such a strong, resilient woman. She would always talk to my daughter and son when they were outside and jumping around on their trampoline. My daughter loved to walk with her and the dog and watch her cats. We are going to miss her!

“ My heartfelt condolences to Norby,
Paul, Kenny and the Czosek family.

Dee, my sweet and gentle neighbor and friend. Always finding beauty in the simplest things. Appreciating life and lived it daily still finding new wonders. Feeding the birds, caring for homeless cats, her beloved house cats and little doggies. Walking her dog, observing neighborhood flowers and surroundings. Chatting with all she met. Her admiration for Saint Andrew's Church and the village of Sloan. Visits on my porch having chats and a giggle or two. There couldn't be a kinder heart. She loved to bring over old photos to show me and reminisce. Telling me of days gone by and many times smitten over Norbert as though still a teenager. Looked out to see her daily. Sometimes to find her peacefully napping on her porch on a warm summer day. A peek in the wee hours to make sure her kitchen light was on. A deal we made. I am so glad I had the chance to give her a gentle hug. In that moment, she asked me " friends forever?" Most certainly my sweet friend. I no longer can physically see you but your gentle memory walks through my mind. For now, a tear and a smile. I have already been missing you my forever friend. In all your glory Dee, rest in the beautiful place that has been prepared for you .. paradise. In total serenity and His eternal peace. May the angels look after you as you are wrapped in the arms of our Almighty God's love.

~ Love Cindy
