“ Dear Kim, Barb and Nancy,

How sad I am to hear about the passing of my dearest friend, Dolores. She and I have been friends and confidants since she first began working at ECMC. We shared our thoughts, concerns and interests over lunch many times. We both had a deep love and respect for our families and she welcomed me into her family as if I were her sister.

We laughed a lot and enjoyed the same hobbies such as dolls and miniatures. What fun we had going to miniature shows and talking about our 'treasures'.

We often had deep discussions regarding life and how we wished to make the world a better place in which to live.

Dolores was truly a wonderful and trustworthy friend. It is with much sadness that I write this message. I will miss her terribly but will remember her always.

The past years have not been easy for any of us, but Dolores still remained an important part of my life. She remained strong of heart and mind in spite of her struggles and together we tried to be positive about the life.

My deepest sympathy and love is being sent to you and to the rest of her family. I am so sorry that I was out of town and could not see you. Please know that I share your loss.

My thoughts and prayers are for you.

*Love,
Catherine Bailey*

“ *I remember as a youngster Dolores waking up to drive us to school on miserable days. I remember sitting at her kitchen table and she served breakfast ensuring we had a good start to the day. I am sure she was tired but you never showed it she cheerfully took us to school and I'm sure we never thanked her but it's a memory I will always remember. She was soft-spoken quiet actually but very loving. God is lucky to have this angel. She will be missed. My condolences to my friend Nancy her sister Barb and Kim. I am thinking of you in the best possible way*
