“ I just heard from my cousin Danny of our dear sweet cousin Dolores's passing. Dolores became very close to my mom (Aunt Lorraine) for many years. When I left Atlanta and came back home to reconnect with family Dolores was right there. Her warm smile and comforting advice made my transition a happy one. I went to church with her and my mom every Saturday afternoon. I have so many fond memories of Dolores, her mom (Aunt Bertha), my uncles and cousins. My dear sweet cousin, you will always have a place in my heart. I can still picture you preparing refreshments for us every time we visited you in your spotless kitchen. My saving grace is that you are now at rest with my mom (Aunt Lorraine) and all of our other relatives in our family cemetery. As long as I'm alive I will care for your graves until my time. May God be with us all!

“ Dolores had a great sense of style. And she was so kind and welcoming. As Anthony's girlfriend, I was immediately invited to family dinners and parties. She was even thoughtful enough to buy me gifts at Christmas, which was an unexpected surprise.

She will definitely be missed by us all. May she rest in peace. <3

“ Auntie Dolores was an wonderful woman. I have so many memories of going to the house to visit her and grandma on the weekends. I will forever remember her for her high heels and her hair style that never changed. She never seemed to age! She was always active and on the go. May she rest in peace and find joy with the loved ones that went before her. Your family is in my thoughts and prayers.
