“ *I worked with Don at Velson Tool Works in Sloan, NY during the mid to late 1960's. I served my apprenticeship with him and the other Journeymen Tool & Die Makers. He was a great guy to work for and he taught me a lot of shortcuts. He always had a smile on his face and he could be mischievous. It was my pleasure to know him and work with him. Please accept my sincere condolences as you grieve. -Ed Rajewski-*
