“ *Noreen, please know we are standing by your side in our thoughts and prayers during this difficult time. Take comfort in knowing Mom is no longer in pain and is now with Dad.
Our deepest sympathy to you and your family. We love you.*

“ Noreen,

We never know how or when our parents will leave us but we hope that when the time comes it will be swift for their sake. You did a wonderful job taking care of your Mom and giving her a home in your house. I don't think your Mom really realized how lucky she was to have you care for her. Everything happened so fast but now she is in a better place with no suffering
