“ Aunt Dorie was a caring and loving person. She always remembered me with birthday wishes, holiday cards and correspondence, even though I live so far away in California and moved out here as a child. I will miss the opportunity of going out to lunch with her at the Polish House on our next visit to New York.

My childhood memories of New York are very misty - but I do remember going over to her and uncle Jim's house and playing down in their basement family room. She was a delight to know as an adult and I will truly miss her.

My love to all of her family.
