“ Jerry,

We'll miss you at our weekly "Old Fart's Lunch" at Jim's Truck Stop on Walden where three, four or sometimes more meet to eat.

We also told each other our "War Stories." I was loath to go first as the next guy always had top the guy before him. Somehow, Jerry was always the last to speak because at first, I thought it was because he was shy, not cunning

It got to the point that most of the discussions revolved around our health. All our sundry conditions were covered at one time or the other which caused one of our guests to remark, "I don't belong here, I'm healthy. We finally had to limit "Health Chat," to the first five minutes so we had time to eat.

Jerry, There'll always be a seat for you at Jim's.
