“ I just want to say that I always loved my uncle Eddy. I've known him most of my life, and he was always a good person from when he was a young man, all the way until he was almost 90 years old. He took care and protected his love ones, parents, brothers, sisters, nephews, nieces, and all of his children...and me when I was a young boy.

I pray for him and wish the world had a lot more uncle Eddys which would make it a better place.

God bless you dear man. I hope to see you in heaven.

“ *So sorry about the loss of your father and grandfather. Eddie and Lillian were two of the nicest people on the street. I remember having many talks on their front porch about the Buffalo Bills and just general goings on in the neighborhood and town. Stan and I also have a fond memory of seeing Eddie riding his mower with his sun hat pulled over his head. Again our condolences about your father and grandfather. God Bless.*
