“ *Judy & Family. I was so surprised & saddened to hear this morning about your Mom. I have many memories of the times I spent at your house growing up. Your Mom was like a 2nd Mom to me from her taking us to the races, shopping, the drive-in with a car load of kids, to me going with your family to see your family in Binghamton & to out of town races to just hanging at your house & picking on your Mom. All good memories! Just know that she is with your Dad & they will be together always.
Hugs & prayers to you & the whole family!!
