“ Uncle Mike, Nick, Alex and Shawn how our hearts break for you as you all deal with this pain and loss... please know we are always here for you and love you all very much. To our Aunt Liz, we miss you so much already... you were taken from us way to soon. You loved all of us so much and no matter what you were always there for us. So many great memories we have to look back on and cherish until we meet again.... God has called you home where you can rest and be well again. No more pain but know we will always have you in our hearts and on our minds. Love Always, Maggie & Joe 💕💕

“ Our hearts are broken that our best friend is no longer with us. Mike you are an amazing husband and you took such amazing care of Liz. She loved you so much. Nick ,Alex and Shawn mom loved you boys so much and is so very proud of each of you. She spoke of you often, to me, and her family was her entire life. Especially those babies. When Liz loved she loved with her whole heart and soul. You are her world. She loved her family and Friends unconditionally. She was one of kind and would do anything for you. She was kind, generous and the life of the party. Our lives will never be the same. Our circle is broken. We love you all so much. You are not just our friends you are family. We are here for you always! Our lives are so much better for you being in it. Liz honey you are no longer in pain, I miss you and our talks already. Fly high my friend! Until we meet again. Love Always, Randy and Theresa XOXOXO
