“ *May God support us all the day long,
till the shades lengthen and the evening comes,
and the busy world is hushed,
and the fever of life is over, and our work is done.
Then in His mercy may He give us a safe lodging,
and a holy rest and peace at the last.*

“ *My heart is heavy and it's a tough truth to swallow . I always
remember you during the holidays especially when I'm hanging up
your beautiful ornaments. It's tough to believe your gone. From the
first day I met you , I knew you were a kind soul and God's light
shined through you everyday . You were an example of what God
wanted his people to be . I will never forget the years we worked
together and the friendship we had . It was an honor to have known
you . Shine bright with the Lord . Rest In Peace my friend until we
meet again . My condolences to Marty and the whole family . She
loved each and every one of you in such a special way.*

“ Betty,

You're smile, gentleness and warm heart will forever stay in my spirit. You always stayed in touch, even when MY life got in the way. Asking about my daughters, sending Harper cards and presents...I deemed you her "auntie!" You always thought about others - you overheard me years ago talking about a Vera Bradley wallet, and what do you bring in for my birthday?! And Betty, no one compares to your baked goods :) You were kind to me, and those around you.

*Last Christmas, your words stuck with me: " You are very special, please don't let anyone tell you different..."
I'll miss you Betty!!*

“ *Diane, I was saddened to learn of Betty's passing. We had many a conversation in the bank parking lot when we would leave at the same time. She was always interested in keeping up with our kids and she was so proud of her nephew Steven! I know you will be missing your sister and best friend. I feel bad that I can't be at the service. I'm in Maryland with the kids for the holiday. Take care.. you will be in my thoughts and prayers.. Jane Riemer*

“ My dear brother Marty, and the Dombrowski & Grzbowski families, No words can express the heartfelt sorrow I feel for the loss of Betty. I am so sorry I can not come to the service and pay my respects, but Tom is very ill. You are always in my heart, my thoughts and my prayers. Although this is a devastating time, take comfort knowing she is not in any pain anymore, and she is with her Dad now. With Deepest Sympathy, all our love and prayers to you.
