“ As far as I can remember " Gene " was the guy. It was Gene and Dennis who drove up to Absolute Care in east Aurora to visit my late husband, Jack Bienias, a fellow Sloan fireman in long term care. We both couldn't thank Gene and Dennis enough for being kind, taking part of their day to put a smile on Jack's face with a friendly visit to break up his day. Now I can see Gene in heaven with Mike Gorlewski , Dick spider, Eddie Schultz, Adam Alleck, Al Gorlewski, Al Weiberg and many others raising a glass of beer remembering good times and telling stories of the "good old days" in the Sloan Active Hose Co. #1 Good Bye old friend, till we meet again!

“ Edwina & Family, I do not have enough words to express my sadness' of the passing of Gene.  
We knew one another since we were seven growing up in Sloan, until I moved to California in 1956.  
We lived 2600 miles apart but staying in touch through the years was great.  
Edwina, I can only hope my prayers will bring you and family some comfort.  
God Bless  
Jim Smith
