“ With my deepest sympathy to the Karp family .It is with deep sadness in my heart that I hear of the passing of my friend Gene. He worked with my dad at the post office many years ago, and always treated me extra special because of that bond. Gene would mention my dad many times in our conversations ,and always had a story to tell. At 11:00 Sunday mass at St Andrews, Gene would always make it a point to come and shake my hand and wish me peace, That little gesture always put a smile on my face and I will never forget his great smile.(something I will always remember when I attend mass) Often ,he would even tell a short joke or have something to say to make me laugh. Peace to You now Gene, and may you find comfort with the Lord.
