

Eugene Patrick Moran

June 14, 1940 - July 21, 2022

Passed away peacefully on July 21, 2022, surrounded by his loving family. Devoted son of the late John “Jack” Francis and Mary Elizabeth (nee Byrnes) Moran.

Gene will be sadly missed by his longtime partner Frances Labonte, his sisters Marietta Moran, Nancy Moran, Kathy (Tony) LaRocco, many nieces, nephews, cousins and dear friends.

He was predeceased by his younger brother and best friend Robert (Donna) and was the proud godfather of Cheryl Jean Moran. Gene was a graduate of Kensington High School (class of '59). He loved and played football with his fraternity brothers and was voted “Dream Boy” in his senior year. After graduation, Gene enlisted in the Army and proudly served his country from 1960-1962. He later worked at Bethlehem Steel with his father and brother. He was an avid Buffalo Bills fan and a dedicated season ticket holder since 1964. Together, he & his brother Bob attended all four Bills super bowl games with hopeful hearts. Gene was adored by all that met him due to his quick Irish wit, his kindness & generosity and a smile for everyone he encountered. His family meant everything to him and he will always be in our hearts. A private service will be held at the convenience of the family. Arrangements by the DANIEL R. SMOLAREK FUNERAL HOME. “ Gene was two years older than me. So when he wanted to play "barber" I sat in the chair. I had two long braids and got out of the chair with one. He told me he cut from the top, like any good barber would.

“ I am sad to learn of Gene's passing. Although it has been some time I have many good memories including attending the Buffalo Bills games and the many golf tournaments. To Frannie, all of Gene's sisters and the entire family my deepest condolences. Gene, my friend, RIP.

“ to the moran family, sorry for the passing of gene, fond memories of us in the proj. with the whole family, he was a legend and a mentor for me, as i was close to bob when we all hung around together, remembering knocking on the door just to wake gene up, and mom yelling at us. Days never to be forgotten. Vinnie Lagattuta

“ I used to wash his clothes at my work! Great memories with him wish there were more. He always kissed my hand and made sure I was okay. He always asked about me when I wasn't working and about my fiancé and son. This man always made my day 100 times better. He made me look forward to coming to work everyday. I love you Eugene, rest easy ❤️❤️❤️ Love: Marie , Brian and Christopher
