WHEN YOU FEEL LONELY

*When a person you love passes away
Look to the night sky on a clear day.
The star that to you, appears to be bright,
Will be Gene, your loved one,
Looking upon you during the night.
The lights of heaven are what shows through
As your Gene watches all that you do.
When you feel lonely for the one that you love,
Look to the Heavens in the night sky above.*

*Love and Hugs to Gene's Family

“ Aunt Flo, Linda, Larry, Edie, and Ginny, and all of your children and grandchildren,

Rich and Ashley and Allie and I are so very saddened and sorry for your loss of Uncle Gene who we loved and will miss so very much. We will never forget all of his fascinating and worldly stories and his amazing athletic ability playing basketball and best of all his twinkling eyes and smile and joyful laugh! He taught us so much about the Mruks. I am so glad our girls got to know him! Many prayers for him and you all from us and big hugs. We hope all your memories of him keep him alive and heal the pain in your hearts and you eventually smile when you think of him. Both Uncle Gene and Aunt Flo have been a great solace to us after Mom and Dad died.

“ Mrs. Mruk, Linda, Larry, Edie, and Ginny, I am so sorry for your loss. I have so many wonderful memories of Mr. Mruk and your family. He was very kind and included me in many fun and interesting activities with your family. I especially remember enjoying his garden in the summertime and when he decorated the basement for a Halloween party . May he rest in peace. Love to all of you from Carol Podpora
