

Evelyn "Evie" Maciag

November 23, 2016 - July 14, 2022

Evelyn "Evie" Maciag of Depew New York passed away peacefully at home, and surrounded by loved ones, in the early morning hours of the 14th of July. Evelyn fought bravely and valiantly for all 5 years of her short but full life, against an aggressive brain tumor that was found at 7 months of age. Evelyn was born on the 23rd of November 2016 to her loving mother and father, Nick and Katie Maciag. She is survived by her parents, as well as doting and supportive grandparents, Dennis and Camille Maciag, and Herb Klein and Maureen Murphy, her great grandparents Roland and Lottie Pikuzinski, her Aunts and Uncles Rob and Gabby Klein and Berg and Kim Rozanski, and her cousins Alyssa, Izzy, and Kole Klein, and Maddie Rozanski, who was also her lifelong best friend. Evelyn was full of life and love despite all the grueling treatments she endured her entire life. Her passions were crafting of any kind, camping with her family, all things Cinderella, and singing and dancing to her favorite songs. Nothing made her family prouder than when Evelyn attended Kindergarten at John A. Sciole Elementary for several months this year, where she flourished surrounded by amazing teachers and classmates who quickly loved and accepted her as one of their own. A memorial service is scheduled for 9 am on Saturday July 23 rd at St. Gabriel's Church, 5271 Clinton St. in Elma, NY, with a luncheon to follow. The family asks that in lieu of flowers that donations be made in Evelyn's memory to The Infant Brain Tumor Fund at Dana-Farber Cancer Institute.
