“ Dearest Janet, Paula, LeeAnn and your families,

"Aunt Felicia" as our family always called her...was dearly loved by all of us. Our mother Alice and Felicia had known one another for over 70 years. They were roommates, best friends, and "sisters-by-intention". You all--- were part of our family and we grew up together. Felicia always came across as a very strong, intelligent, focused, professional woman. She worked so hard together with Uncle Richard-- to provide a wonderful life for their beloved three daughters.

Felicia was a devoted daughter to her parents, a faithful and loving wife to her husband Uncle Richard, and a beloved mother to her three daughters. She had a wonderful heart and such a joyful laugh. She always shared how her sons-in-law, and grandchildren also added so much to her life.

We will always remember her and keep her in our prayers and memories.

We also saw how much love you three: Janet, Paula, and LeeAnn gave to your mother Felicia as she grew older. You cared for her and really gave so much time, energy, and devotion-- to ensure that in her final years she was supported, cared for, and loved.

Though many of us--- will be very far away during the funeral, we all will be present in spirit. Hopefully in the future we can have a celebration of her life when we are all together.

Love and prayers from the Stanley Family.

“ *Dear Janet, Paula and LeeAnn -*

I was very sorry to hear of your mom's passing. After Lee died, we continued to exchange Christmas cards over these many years. It was always nice to hear from her and was a way of staying in touch with my husband's family. I remember the many family get-togethers we had at Aunties' and at your house in OP, as well. Seems so long ago.

*With deepest sympathy over your loss,
Mrs. Leon (Barbara) Nowak*

“ I worked with Felicia at the VA Medical Center where she was an evening nursing supervisor. After that I worked with Felicia at Trocaire College where she was a nurse clinical instructor. She was a wonderful nurse and colleague who gave her all to patient care and students. I was blessed to have known her. May God grant her eternal peace and love.

“ Felicia was my wonderful nursing instructor. I learned so much from her and will always be grateful to her. We always sent Christmas cards to one another to keep up with our lives. Her passing will be a great loss to anyone who knew her. May she rest in peace.
