“ *My father was and will always be my hero, he taught me respect and right from wrong . he was always there with good advice when I needed it most and he gave me my passion for motorcycles , and the bills ( no matter how bad they were ) . some of my greatest memories are of my dad myself and grandpa Ed watching football and drinking coffee. A day doesn't go by that I don't think about those times... You will always be with me in my heart dad...*
